Hi Friends Far & Wide (I don't mean overweight)!

Which one of these two knows all about computers, mobile phones and audio recording? (Clue: It's not me!) Sakias is one of the most wonderful people I've ever met. He sorts out any computer problem I've got (almost!) He will have a hernia operation on October 10, so please pray - I need him!

Here's another great guy - Pastor Tony. He loves to hike around (barefoot) with the Jesus Film Kit, to show this to remote villages where it's never been shown before. And their response: *"You mean Jesus lived on Earth, just like us? We thought they were only stories!"*

One morning at the market, I could hear an AudioBible playing - it was Alice! She left home before dawn to bring her vegetables to the market. *"I didn't have time for my devotions today,"* she said, *"But I love my AudioBible, and to hear God speak to my heart in my own Gadsup language!"*

Great people, who love a great God! Please pray for all of them!

Thank you!

PRAYER POINTS

- Praise for all God has enabled me to do for the past 9 months here, especially for the hundreds of AudioBibles that have gone out!
- Praise for the many pastors who are distributing these. I tell them they can sell them for 20 Kina (about $A8) & keep 5 Kina (about $2), which helps them too!
- Pray Sakias will keep well and have a successful hernia operation on 10 October.
