

General Convention of Synod 2013 theme song

Where love comes to life

1. God is perfect in love,
breathing his life in us,
sustaining life by a word,
calling us to love his world.
Lord, increase our faith,
make us the place ...

Chorus:

*Where love comes to life: Jesus' church in the world
Where love comes to life: at home, at work, at play,
we are the place,
people of grace,
where love comes to life.*

2. Shock of water and word
disarms our hate and sin.
Holy meal of love;
God's life now within.
Lord, increase our hope,
make us the place ...
3. Now, Lord Jesus Christ,
increase your love in us,
so your love overflows
to all tribes, skins and tongues.
Lord, increase our love,
make us the place ...
