About Hanna Schulz

Hanna Schulz has been working as a Bible translation advisor in Papua New Guinea since 2012. For three years she helped various projects across the country, and in 2015 started working with the Kope and Anigibi people of Gulf Province. Together with the local translation teams, Hanna is helping with the translation

of Luke, developing literacy materials, building a dictionary, recording worship songs to distribute on sd cards. In 2018, they dedicated a book of worship songs in Kope. Thank you for supporting and praying for Hanna as she builds disciples through the work of translation with the Kope and Anigibi people.

Hanna Schulz is committed to being part of the team helping people to gain greater access to God's Word in a language that speaks to their hearts. You can be a part of this team as you partner with her in prayer, financial support and encouragement. There are three ways you can respond: use the tear-off section, go to **www.wycliffe.org.au/hanna** or email details to Hanna.
