INDEPENDENT AUDITORS REPORT Opinion

We have audited the accompanying financial report, being a special purpose financial report, of Lutheran Church of Australia Incorporated, which comprises the balance sheet as at 31 December 2017, and the consolidated income and expenditure statement, statement of changes in equity and statement of cash flows for the year then ended, a summary of significant accounting policies, other explanatory notes and the statement by the General Church Council.

In my opinion the financial report of the Lutheran Church of Australia Incorporated is in accordance with Division 60 of the Australian Charities and Not-for-Profits Commission Act 2012, including:

- giving a true and fair view of Lutheran Church of Australia Incorporated's financial position as at 31 December 2017 and of its performance for the year ended on that date in accordance with the accounting policies described in Note 1; and
- complying with Australian Accounting Standards to the extent described in Note 1 and Division 60 the Australian Charities and Not-for-profits Commission Regulation 2013.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Association in accordance with the auditor independence requirements of Australian Charities and Not-for-profits Commission Act 2012 (ACNC Act) and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the General Church Council for the Financial Report

The General Church Council are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the ACNC Act. The members' responsibility also includes such internal control as the responsible entities determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error. In preparing the financial report, the General Church Council are responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the General Church Council either intend to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the members.
- Conclude on the appropriateness of the members' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the

Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.

• Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the General Church Council regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

NOTES TO THE FINANCIAL STATEMENTS

Note 1: Statement on Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Australian Charities and Not-for-Profits Commission Act 2012 and the specific needs of the members of Lutheran Church of Australia Incorporated ('the Church'). The General Church Council has determined that the Church is not a reporting entity.

The financial report has been prepared in accordance with the requirements of the Australian Charities and Not-for-Profits Commission Act (2012) and the following Australian Accounting Standards:

AASB 1031 Materiality

AASB 110 Events after the Balance date

No other applicable Accounting Standards, Urgent Issues Group Interpretations or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specially stated, current valuations of non-current assets.

The significant accounting policies adopted by the church are stated in order to assist in a general understanding of the financial statements.

The following material accounting policies and information, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

Scope of the financial accounts

The financial statements report the income and expenditure of the church pertaining to its core objects and ministries. The financial accounts also include the assets, liabilities and equity of various boards, Departments and activities of the church including the following:

- International Mission
- Local Mission
- Lutheran Media Ministry
- Lutheran Archives

- Church Worker Support Department
- Child, Youth & Family Ministry
- Lutheran Bible Translators Australia
- LCA Subscriptions.

The financial accounts do not report on activity of the church that is outside of the scope of the above ministries and core budget. This includes some specific funds and unincorporated entities such as the LCA Insurance, Pension Fund, various gift funds, Finke River Mission and Australian Lutheran World Service. Separate financial reporting takes place for these activities outside of these financial accounts and is subject to independent audit.

The LCA has a constitutional linkage to a range of organisations and entities that are separate legal entities. Separate financial reports are prepared for these legal entities at law and no consolidation with the LCA is required. This includes Australian Lutheran College Limited and Lutheran Education Australia Limited.

Lutheran Church group income

The label given to 'Lutheran Church group income' in the income and expenditure statement comprises the following:

	Note	2017	2016	2015

Income tax

The church is exempt from income tax under the Income Tax Assessment Act, 1936 and Income Tax Assessment Act, 1997 as amended.

Cash assets

The church holds its cash assets in a cheque account with ANZ Bank Ltd together with numerous accounts with the Lutheran Laypeople's League of Australia Incorporated. These moneys are largely committed for specified purposes including provisions, special funds, borrowings and reserves of the church as disclosed at notes 8, 9, 10 and 12 (refer also paragraph (e) and (f) below).

The church discloses its cash assets as 'committed' and 'uncommitted'. Committed cash assets represent those moneys that support special funds and reserves of the church as noted above. Refer Note 2 in relation to these disclosures.

Provisions and specific funds held

Moneys held on behalf of associated groups and for specific purposes are disclosed at note 8, while provisions pertaining to employee benefits are disclosed at Note 9. These moneys represent future commitments and obligations and are accordingly disclosed as liabilities of the church.

Reserves

Reserve balances as at 31 December 2017 are disclosed at Note 12. Reserves represent moneys set aside by General Church Council for future purposes over which it has discretion together with the equity balances of specific departments and auspices of the church.

Property, plant and equipment

Property

The properties of the church disclosed in these accounts are those held in the name of the church and are used for specific ministry purposes of the church. Other property occupied by the church is held by the LCA Property Limited, a public company limited by guarantee, and are disclosed in the financial accounts of that entity.

Gains and losses on disposals of property are determined by comparing proceeds with the carrying amount. These gains or losses are included in income and expenditure. When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained surpluses.

During the year ended 31 December 2017, the LCA transferred property at 53A Livingston Avenue, Prospect to LCA Property Limited. This transfer was made for \$498,000.

Plant and equipment

The LCA undertook a complete stocktake of its fixed asset as at 31 December 2015 by way of a formal review conducted by BMT Quantity Surveyors.

The LCA has adopted a policy for recognising depreciable assets whereby individual assets of \$500 or more are subject to depreciation, apart from art works which are not depreciated. Acquisitions of assets below \$500 are expensed.

The depreciation rates used for each class of depreciable assets are:

Class of fixed asset	Depreciation rate
Plant and equipment	10.0%
Furniture and fittings	10.0%

Comparative information

Where necessary, comparative figures have been adjusted to confirm with changes in presentation in the current year.

Note 14: Contingent Liabilities

The Lutheran Laypeople's League of Australia Incorporated (LLL) provides financial support to the LCA and its umbrella entities through the provision of finance and services. The LCA provides a general guarantee of repayment and indemnity against loss to the LLL in relation to all borrowings provided to the LCA and its related bodies.

The primary responsibility for repayment of loans rests with the borrowing entities of the LCA as authorised by each District of the church. This responsibility is supported by significant property assets and other moneys together with a hierarchal guarantee for which each District of the church takes responsibility.

In some instances, the LCA has a primary guarantee of repayment to the LLL in relation to some borrowings. As at the time of signing the audit report, the church had provided guarantees to the LLL in respect of loans provided by LLL for:

Total Contingent liabilities	\$3,611,787	\$4,089,297	\$4,406,403
LCA Car Loans	557,743	667,630	773,668
LCA Pensions Fund	3,054,044	3,421,667	3,632,735
8 · · · · · · · · · · · · · · · · · · ·	F		

As at the time of signing the audit report, the LCA is not aware of any circumstance that would require it to meet any material liability to the LLL under its guarantee of repayment and indemnity against loss provided.

The LCA also acts as guarantor for certain borrowings of Lutheran Schools and Colleges which are provided by Westpac Banking Corporation Limited. These borrowings are supported by first mortgages provided by each Lutheran School or College under the auspices of Lutheran Education Australia Limited and its state based affiliates. As at the time of signing the audit report there are no grounds to believe that any guarantee provided by the LCA to Westpac Banking Corporation is in anyway likely to result in financial loss to the LCA.
