**Lutheran Men Victoria in conjunction with
Creative Word Fellowship have invited
Jeffery Hemmer to lead or studies on
his book Man up.**

Pastor Jeffrey Hemmer will go through the topics of his book 'Man Up' on this weekend retreat. *"This book is a call to fix your eyes and your hope on the Man up on the cross and to find in His selfless sacrifice the perfect example for manliness in our self-indulgent, self-centered society. That's where Man Up! really stands out in the crowd. Don't pick up these pages expecting to find an ideal man you should strive to be. This book is anchored in a different ideal. In the person of Jesus Christ, God became man. What Adam lost in his rebellion; Jesus restored in His Incarnation. Jesus is the perfect man. His example sets the paradigm for perfect masculinity. But more importantly, His sacrifice obtains forgiveness and mercy for the rest of us men who are bound to fail in this God-given task to be good men".*

Jeffery Hemmer is the husband of (in his opinion) the most wonderful woman in the world, father of the five most delightful children he's ever met, and pastor of Bethany Evangelical Lutheran Church in Fairview Heights, Illinois. He's also a wannabe farmer, maker of some things, fixer of other things, beard grower, and general curmudgeon. His big truck is probably a sign of his insecurity.
