Alt. Tune: Old Hundredth

1. Now Thanks and Praise, O Lord we raise

2. Give Hope and homes to refugees;

For Word a-glow with Fire and Love;

New lands where the deprived are blest,

In Asian lands the Gospel spreads,

Guarded and kept to grow in You,

Pow'rd by the Spirit from above.

The Light to shine through all their deeds.

1. Now thanks + praise, O Lord we raise For Word a-glow with Fire and Love;

2. Give Hope and homes to re-fu-gees; New lands where the de-prived are blest,

1. In A-sian lands the Gos-pel spreads, Pow'rd by the Spir-it from a-b-ove.

2. Guard-ed and kept to grow in You, The Light to shine thru all their deeds.

3. Hasten, O God, Your mission plans;

Sustain the souls where battles rage.

Make bold the voice of speech and hands,

To shine with Light from ev'ry age.

4. Call faithful leaders, wise and true,

To speak of Grace, Christ's Love for all.

From prisons dark, the souls to free,

Redeemed to give our Lord the Praise.

5. At home, revive Your Church to serve;

Stir up the souls that claim Your Name!

With hearts receptive to the Call,

Hold high the Cross; the Gospel's flame ..Amen.
