

Administrative and Operational Resources

A booklet on Copyright and music has been prepared by the LCA Commission on Worship as a guide, and includes information on Online publishing and streaming

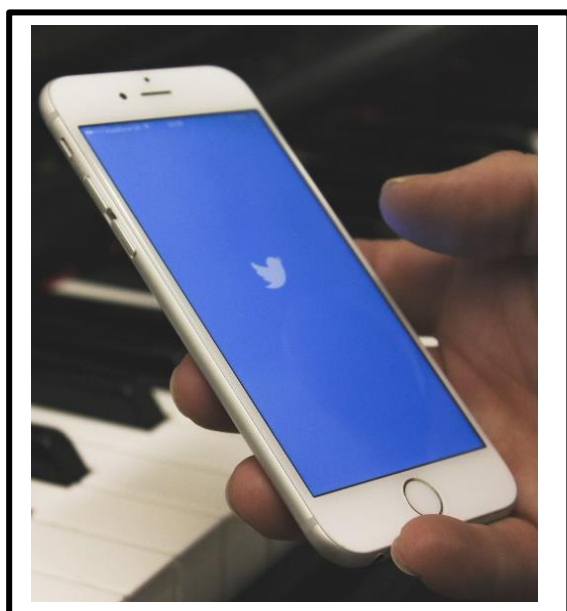

Different rules apply for the different ways in which music is used. These include:

- lyrics
- sheet music
- recorded music
- live performance and broadcasting.

These are covered in this booklet.

It is extremely important that your congregation abide by the laws on the use of music. Large fines can apply for breaches of music copyright.

Social Media and Standards of Ethical Behaviour

LOVE COMES TO LIFE when we use God's gift of communication with wisdom, integrity and kindness, always seeking to build up, not to tear down.

Church Signage

Church signage will be very important as our presence transitions increasingly from bricks and mortar to Online.

This is new opportunity to build relationships in our community
