In your prayers you're invited to pray for:

- Hanna Schulz, as she begins a 13-month home assignment when she will spend time in Queensland and Victoria with friends and family, before travelling around Australia to share what God has been doing through her Bible translation advisory work in the Gulf Province, Papua New Guinea.
- Immanuel College, Novar Gardens, SA, who have now concluded their partnership with Bethany Home, Malaysia. Thanks God for the many staff and students who have served and learnt more about the love of Jesus through this connection.
- Bryan Elliot and Alicia Wegener, as they enthusiastically carry out their roles of LCA International Mission financial and administrative assistance. Thank God for their commitment to this work.
- Victory Lutheran College, Wodonga, Victoria, who have expanded their partnership to include SMA and SMP Swasta Kriten BNKP Gunungsitoli, Nias, Indonesia, allowing their students to further use their language skills and develop a broader understanding of cultures and custom.
- The use of the birthing kits by the Evangelical Lutheran Church of Papua New Guinea. Thank God for the most recent shipment's safe arrival. Pray they will promote hygienic practices and environments during childbirth in areas which are under-resourced, while opening possibilities for the gospel of Jesus to be shared with the mothers.
- Endeavour College, Mawson Lakes, SA, who are bound together with their partner schools SD GKPS, SMP GKPS 3 Jalan Sisingamangaraja, SMK GKPS 3 Jalan Sudirman Pematangsiantar, Indonesia by their faith in Jesus and in Christian love for each other,
