FOR JOINING IN GOD'S MISSION

Jesus' love comes to life as we partner in the gospel.

Through LCA International Mission, Lutherans in Australia and New Zealand join Jesus Christ in his mission in the world. You encourage and equip pastors, evangelists and other mission and ministry workers as they bring the good news of Jesus Christ to their communities and beyond. You support the words-and-action gospel work of overseas Lutheran churches and the LCA/NZ districts, congregations, schools, communities and individuals as we partner together in mission.
