Public events	<ul style="list-style-type: none"> Within venue limits 	<ul style="list-style-type: none"> Public Events may occur in accordance with the Public Events Framework, for Tier 1 and Tier 2 events an application and approval process apply. A public event is an organised public gathering for a common purpose which is conducted on a one-off or periodic basis, it may be open to members of the public, publicly announced or advertised, and may be subject to specific license, approvals or permits. The Public Events Framework applies to events in three categories: <ul style="list-style-type: none"> Tier 1: highly complex and involving more than 5,000 attendees Tier 2: moderately complex involving 500-5,000 attendees Tier 3: low complexity and involving 500 attendees or less The Public Events Framework enables applications to be made by event organisers to hold an event that falls within Tier 1 or Tier 2 events. Tier 3 events can be held in accordance with published guidelines. Other risk factors may mean that an event is classified at a higher tier and will require approval to go ahead. Public health advice will inform the approval of Tier 1 or Tier 2 events, based on the epidemiological conditions and broader restrictions at the time. All events will be considered on application under the Public Events Framework and there are no pre-defined limits on the nature or size of events. Private events such as weddings and funerals, routine religious gatherings and ceremonies, and public gatherings for ordinary, day-to-day activities are subject to the published restrictions limits and not covered by the Public Events Framework. The Stay Safe Directions (Victoria) and Restricted Activity Directions (Victoria) continue to apply to these day-to-day event activities and gatherings.
