---

A great resource is the LCA [Commission on Worship](#) webpage & [Church@home](#) - updated regularly.

The [Worship Planning Page](#) has been completely revised to provide resources for our Church@Home settings. Resources include:

- Printable Service Order for the week
- Printable Bible Readings for the week
- Family Worship Video for the week
- Sermons for Lay-Reading
- Music suggestions (links to Youtube clips for both traditional and family services) and more

Lutheran Media [Worship Life](#) - see tips on live streaming
