

8 March 2019

Hi Friends & Family!

Here's the house that Ethan (from USA) & I lived in for the past 3 weeks, as our Papua New Guinea (PNG) *Village Living* experience in the warmer Markham Valley. It was made from bush material, just like the ones the local Adzera people live in. With us are the men who looked after us, Kaius & John, plus young Israel. Cooked bananas is one of their main foods! We also went fishing with them in a nearby river one day and caught 7 fish, which were very tasty. Ethan plans to become a Bible translator in PNG.

We ran a Bible teaching program with the children, using the Adzera Genesis translation, which the Wycliffe translator had published. Behind me is the local church leader, Barney, who read the story to the children in Adzera, and I spoke to them in PNG Pidgin. The children then acted out the stories.

Genesis and Luke were also available in Adzera on a phone App, plus songs, the Jesus video and other language DVDs on SD Microchips. The people loved to read, hear and see these. All part of the technological age, using solar panels to recharge, because the village has no connected power. But they have mobile phones, listen to music on Bluetooth and John also had an iPad (see top photo)!

You are welcome to help make audio Scriptures available to the PNG people through my Ministry Account:  
<https://wycliffe.org.au/projects/ian-hutchinson-ministry/>

Many thanks for your continued prayers!

Yours because His,

**Ian Hutchinson**

**PRAYER POINTS FOR IAN HUTCHINSON March 2019**

- Praise God for good health during the *Village Living* experience and for our witness to the Adzera people.
- Praise with me for our Highlands Audio employee, Sakias, who is so capable with technology, even knowing how to produce Apps!
- Pray for ongoing funding for the production, promotion, distribution and use of the Audio Bibles, phone Apps and micro SD cards in the languages of PNG.
