Event Recording

Chat, audio and video may be recorded from this online event. Any of the recordings may be referenced in the event of any incident relating to child safety.

Media Sharing

The LCA SA-NT uses photographs, videos, screenshots, audio clips and other forms of media ('media') recorded at our events as a way of sharing what is happening in our ministry, through posts on social media, inclusion in publications and in presentations to the wider church community, as well as to help promote future LCA SA-NT events.

All media shared and taken during this event should only include appropriate content. Media can only be shared and or published with the express permission of the contributor and persons included in the content. Notwithstanding, the LCA SA-NT cannot be held responsible for the behaviour of individuals in any media or for individuals sharing media without authorisation.

By registering to attend this event you understand and give permission for media from this event, including images and public contributions, to be used by the LCA SA-NT and the wider Lutheran Church of Australia, its Districts and agencies, for purposes described above. Additional permission will be sought to share and or publish content that may be considered private.

Special Considerations

As this event will occur completely online, there are some unique requirements which all participants will be required to adhere to:

1. Participants will be provided with a link to access the event from the specified times. The event portal will not be active at other times.
 2. Participants will be required to clearly identify themselves while in the online event.
 3. Participants must maintain appropriate communication and refrain from sharing any inappropriate comments or media. Inappropriate behaviour may result in removal from the event.
 4. Participants are encouraged to use audio and video to interact with their peers and leaders during the online event, but those choosing not to will be permitted to use the chat function only. Participants should ensure they are in a well-lit open space (preferably not a bedroom or bathroom).
 5. Participants will be required to wear appropriate clothing.
