What's it about?

In March, 2024, 35 people from across the LCA (most involved in congregations or at a grassroots level) came together in Sydney to pray, reflect and listen to what God might be saying to the LCA. As a follow up to this, on Tuesday, May 21, two opportunities will be provided to expand the circle and allow people from right across the LCANZ to come together, hear a little about what was learned, but also to share in their heart for mission.

We're calling it 'Bound for a Better Beach'

It's a 1 hour online Zoom meeting for people who are interested in exploring how best we, as an LCA, can support each other in mission.

Bound for a Better Beach. As the disciples in the boat (in Mark 6) ended up on a different beach to which they were first intending, where might God be leading us?

Each session is limited to 100 participants, so make sure you register.
