### Purpose

The LLL has kindly provided the LCA Districts with a grant of funds to assist congregations with resourcing their mission initiatives.

### Scope

- Grants of up to \$5,000 are available to congregations.
- Grants are to assist congregations by providing support for training and purchase of equipment and other resources (videos, books, teaching materials etc) that are specifically intended for resourcing mission initiatives.
- Grants are not available from this fund to provide items that are part of the normal budgeting process of the congregation and items such as office equipment and maintenance of buildings.

### Applications

Applications should be submitted to the LCA SA-NT District office to [stephen.schultz@lca.org.au](mailto:stephen.schultz@lca.org.au) on the appropriate application form.

### Approval Process

- Applications will be assessed on the basis of their likely contribution to the mission of God through his Church and the goals in the LCA Strategic Direction 2013 – 2018.
- Allocations will depend on the number of applications received and the priorities of the district at the time. It is not anticipated that all eligible applications will be approved.
- Grants will be assessed and approved jointly by the Bishop and the Assistant Bishop for Mission.
