Hi Family & Friends!

Before I left Australia last year, I transferred my Gideons International membership to Papua New Guinea (PNG), so I'm now a member of the local Kainantu Camp. It was a great joy recently to distribute 600 English Standard Version New Testaments to Year 11-12 students at the nearby Aiyura National High School. The Principal told them, "You need to follow this book to be successful in life!"

We plan soon to have members of the Kanite Language Group come to Ukarumpa to record Mark's Gospel in their language. These people have run their own literacy classes for over 4 years now - something quite amazing! Here's the Highlands Regional Director, Terry Cirre & I visiting them last year. To be a part of what God is doing among them, please visit:

At our recent Summer Institute of Linguistics (SIL) PNG Conference, it was great to hear from the International SIL Director, Michel Kenmogne, from Cameroon, Africa. "The only way to God for all nations everywhere, is through the sacrifice that Christ made for us," he said. He also encouraged us to continue to work at bringing more PNG nationals into major roles.

Yours because His,

Uncle Ian

#### PRAYER POINTS

- Praise God for the freedom to translate, distribute and record God's Word in PNG.
- Pray for God to work in the lives of the Aiyura National High students who received Scriptures, also for the 1,600 Testaments given out yesterday at Kainantu Secondary School.
- Pray for suitable arrangements to bring in 6 Kanite speakers this month for the multi-voice recording of Mark's Gospel. Much more of the load will be on me this time!
